Dear Dr. Liu:

I am writing to invite you to visit the University of Texas at Dallas for 3 months starting from December 29th, 2023 to March 29th, 2024, and work with me and other faculty members on topics related to your research. If you come, we will provide you with an office and related computer support. You will also have the chance to attend our weekly seminar and brownbag seminar.

It is also understood that you will be responsible for all the financial support during your visit at our school.

I am looking forward to working with you in the spring semester!

Best Wishes,
